UNDERTAKING

I, the **Manager of the school viz Mr. Namdeo Kashinath Bankar** (Bhondawe Patil Public School) bearing Affiliation no. **1131092** do hereby provide the following undertaking that after getting the approval from the CBSE for running of two shifts, the school will appoint separate staff for running the second shift of the school, in strict compliance with the provisions outlined in the Affiliation Bye-Laws of the Board and following is assured by the School Authorities:-

1. The school shall appoint separate teaching and non-teaching staff for the second shift in full strength as per section teacher ratio norms in accordance with the provisions specified in the Affiliation Bye-Laws of CBSE as well as the norms of the concerned State/Central Government particularly with regard to staff qualifications, salary, allowance, leaves, working hours, etc and the overall structure of the second shift. The qualification of the teachers for second shift shall be as per the NCTE Regulations /norms and will be CTET/State TET qualified.
2. The school shall follow the service conditions for its staff as per the RTI Act/State /UT norms.
3. The teacher-student ratio for the second shift will be maintained in line with RTE Act -2009/ State norms and the CBSE guidelines, as issued from time to time ensuring that each class has the appropriate number of teachers to meet the academic and supervisory needs of the students.
4. It is assured that qualified and competent staff will be appointed exclusively for managing and conducting the second shift. These staff members will be distinct from those working in the first shift and no teacher will be required to work beyond the prescribed working hours as per applicable state norms.
5. The infrastructure for the second shift will be maintained as per CBSE guidelines, ensuring that safety, hygiene, and other welfare requirements for both students and staff are met, in accordance with the Affiliation Bye-Laws. The appointed staff for second shift will be responsible for conducting classes as per the CBSE curriculum, maintaining discipline, and fulfilling any administrative tasks assigned specifically for the second shift. Additionally, the staff will also ensure the safety and welfare of the students during the second shift.
6. All appointments and operations related to the second shift will be fully compliant with applicable labour laws, child protection guidelines, and other legal requirements that pertain to the running of a CBSE-affiliated school.
7. The second shift shall operate as per the approved timings, ensuring that the total number of hours worked by the staff complies with the CBSE's prescribed limits for both teachers and students. No teacher or staff member should be forced to work excessive hours that might lead to burnout or negatively impact their health.

8. The timings for each shift should be clearly defined and should avoid overlap to ensure a smooth transition between shifts. For example, a typical first shift might begin at 07:30 AM and end by 12:30 PM, while the second shift may start at 1:30 PM and end by 6:00 PM or as per state approval.
9. Teaching hours shall be followed as per the scheme of studies of classes conducted in each shift and there should be a minimum gap of half an hour between both the shifts.
10. In general the school should run junior classes in the morning shift and senior classes in the evening shift. In case the school proposes to do otherwise, express permission for the same from the state government shall be obtained.
11. The second shift of the school will also follow the curriculum and the syllabus prescribed by CBSE/NCERT. The same academic standards must be maintained in both shifts, with the same subjects, lessons, and educational content provided to students. The school should ensure that the same evaluation methods and grading systems are applied in both shifts.
12. Careful planning is necessary to ensure that there is no difference in the quality of education delivered across shifts. Adequate time for all subjects should be given to students in both shifts.
13. The school should have separate staff room, reading space and other facilities for both shifts, ensuring that students and staff in the second shift have access to all necessary amenities like classrooms, libraries, laboratories, washrooms, and drinking water.
14. The School will follow the scheme of study for different classes as prescribed in the Examination Byelaws of the Board.
15. The school will appoint a separate Special Educator in accordance with guidelines laid down by the Board and the minimum requirements laid down by Rehabilitation Council of India in this regard on full time basis for the second shift.
16. The school will appoint separate Counsellor & Wellness Teacher on full time basis for the second shift.
17. Adequate safety protocols must be followed for both shifts, including proper supervision of students, fire safety measures, and security during school hours, particularly in the second shift.
18. Proper transportation arrangements, if provided by the school, should be made for students attending the second shift, including ensuring safe travel to and from school.
19. Counseling services, health checkups, and other student welfare activities must be available to students in both shifts.
20. Special attention should be given to the nutritional needs and physical well-being of students, ensuring that they have sufficient break times for meals and recreation.

I, assure that all measures will be taken to ensure smooth and effective functioning of the second shift while adhering to all the rules and regulations set by CBSE, particularly those contained in the Affiliation Bye-Laws. However, if any violation is found, then the school will be held responsible for the same and Board may take any action against the school as deemed fit within the norms of the Board.
